

Starmount News

Spring 2010

Starmount has never looked so pretty as it has this spring, thanks to all our hard working residents. Keep up the good work! Please keep an eye out for trash on the street near your house and pick it up. The DOT is encouraging residents to report litterbugs. You can call at 1-876-368-4968 or online at www.NCDOT.GOV/LITTERBUG.

The Garden Club members have been working hard to keep the main entrance clean and beautiful. New daffodil bulbs were planted in front of the entrance sign. Rusty Stout has been a great help with mulch and manpower on the side of the street across from the entrance. It really looks nice.

YARD OF THE MONTH
